*Flagmakers Zone banner lets you visualise your sales message and your information in a very simple and elegant way. A large exposure surface gives you every opportunity to create attractive solutions and text placements. With Flagmakers Zone Banner, we've given portability a whole new meaning. No larger than an ordinary gym bag, it weighs only 5kg's. It's easy to carry, and just as easy to assemble. Just half a minute and a few simple steps are all you need to reach your target group. Despite the low weight and the slender, discreet construction, Flagmakers Zone Banner is highly stable and durable. Zone stands for design and quality and unbeatable flexibility in any kind of environment.*
